

The COVID Pandemic Blues

Call-and-Response Blues Songwriting Worksheet

Instructions: Use the structure below to express your COVID-19 woes. The same response follows each monotone or spoken call. After three call-and-response sets comes an instrumental break or, if you feel inspired to write one, a chorus. Get additional prompts in the guitar backing track [here](#).

Call #1

(write a personal pandemic experience)

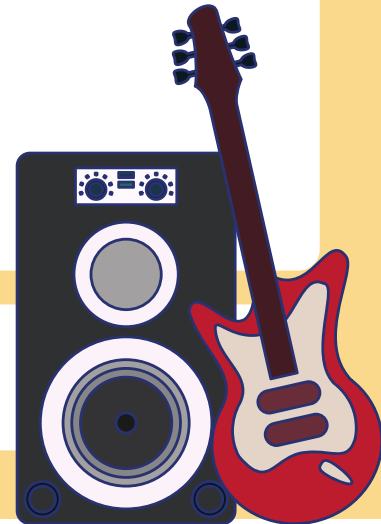

Call #2

(write a personal pandemic experience)

Call #3

(write a personal pandemic experience)

Response After Each Call:
I got the COVID pandemic blues!

Chorus:

Fill-in-the-Blank Chorus Option:

So I'm gonna _____. I'm gonna _____. (2x)
Whenever those blues come around, I'm gonna _____ and take 'em down.
